Excerpt: . . . 11 stand the dense, legalistic correspondence they get from the government. In most cases this lack of understanding is not the readers fault, but rather reflects the confusing writing style of the agency. Though I am tempted to provide examples of some of the most in-accessible government writing we have uncovered, I instead will refer you to our written statement as well as those of others. Sometimes these examples of government writing are comical, but the joke unfortunately is on the taxpayer. It is common sense that the use of plain language in government documents will save the federal government an enormous amount of time that is now spent helping people understand the information they receive. It will also reduce errors in peoples response to what the government sends out. It also will reduce complaints from frustrated citizens. In...
