HarperCollins Publishers Inc, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The fortitude of Sharon s mother who fought the corrections system so victims loved ones could make an impact statement at the parole hearings of these criminals; the brushes with danger she faced staring down these murderers in person as she repeatedly appeared at their hearings and insured their extended incarceration; the harm she risked when she and other victim s families met with convicted felons to help further their understanding of the long-term effects of their actions; the rage Sharon s father had...
