Penguin Books Ltd, United Kingdom, 2006. Paperback. Book Condition: New. 174 x 130 mm. Language: English . Brand New Book. In this important new collection of interviews with the acclaimed radio journalist David Barsamian, Noam Chomsky discusses U.S. foreign policy in the post-9/11 world. Barsamian has a unique rapport with Chomsky having conducted more interviews and radio broadcasts with him than any other journalist, and here explores topics Chomsky has never before discussed: the 2004 presidential campaign and election; the future of Social Security; the increasing threat of global warming; and new dangers presented by the United States ever-deepening entanglement in Iraq. The result is an illuminating dialogue with one of the world s leading thinkers and a startling picture of the turbulent world in which we live.
