Brand New Book ***** Print on Demand *****.In a globalized world, only the citizens with a high level in science and technology will be able to obtain well remunerated jobs. It is really sad to see how our students are questioning continuously about the importance of Math and other basic sciences. As teachers, we must help the students figure out the great influence that sciences and math in specific, have over the daily life. The purpose of this simple book is encourage them to discover the beauty behind the numbers and how they can use this knowledge to succeed even as owner of a very small business.
