Brand New Book ***** Print on Demand *****.Excerpt from The Headless Horseman: A Strange Tale of Texas The stag of Texas, reclining in midnight lair, is startled from his slumbers by the hoofstroke of a horse. He does not forsake his covert, nor yet rise to his feet. His domain is shared by the wild steeds of the savannah, given to nocturnal straying. He only uprears his head; and, with antlers o ertopping the tall grass, listens for a repetition of the sound. Again is the hoofstroke heard, but with altered intonation. There is a ring of metal - the clinking of steel against stone. The sound, significant to the ear of the stag, causes a quick change in his air and attitude. Springing clear of his couch, and bounding a score of yards across the prairie, he pauses to look back upon the disturber of his dreams. In the clear moonlight of a southern sky, he recognizes the most ruthless of his enemies - man. One is approaching upon, horseback. Yielding to instinctive dread, he is about to resume his flight: when something...
