

## In the Darker Shadow of Science: The Subjugation of Cancer (Paperback)

By N Jones Robert N Jones

iUniverse, United States, 2010. Paperback. Book Condition: New. 226 x 148 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This autobiography covers three and a half decades in the life of a scientist dedicated to finding a solution to the most difficult problem faced by medicine ancient and modern; cancer. Seriously disadvantaged by already being in his early forties at the commencement of the project, out of a job, and by the lack of a medical qualification, the author was beguiled by a revolutionary idea; namely, that modulation of energy metabolism within cancer cells might perhaps be the key to controlling the growth of malignant tumours in the body. In this way the concept of achieving selective destruction of cancerous cells in the living body was followed right through from an original hypothesis to helping patients. Inevitably the science occupies a central part of the narrative. Technical details have therefore been simplified with a predominantly lay readership in mind. Throughout a career spanning almost fifty years the author has taken an essentially pragmatic view of science, keenly feeling, in the company of many others, that scientists are under an obligation to advance the human condition in terms of...
