Using a step-by-step method of teaching languages, this Elementary Languages grammar book starts with the most basic concepts of the Spanish language, with clear and concise explanations of how the language works, and plenty of examples to illustrate each explanation. Each chapter ends with a few simple exercises to help you use Spanish right from the start. Full answers to all the exercises are found at the end of the book. With each lesson, you will learn not only new vocabulary words, but how to use them correctly in different situations. And with three levels to choose from (elementary, intermediate, and advanced - levels 1 through 3), you will be impressed with how well you can learn Spanish !.
