McGraw-Hill Education - Europe, United States, 2016. Paperback. Book Condition: New. 9th Revised edition. 210 x 150 mm. Language: English . Brand New Book. The nation's much loved careers guide book is back! How To Get A Job You Love is a blueprint for anyone looking for work or planning a career change. Whether you're looking for your first job, a graduate or an experienced professional, this book will guide you through the process accompanied by a series of exercises to help you decide what kind of role suits you. New Features in the 2017-18 edition include: * The changing nature of jobs and careers - including the ever-growing hidden job market * A wealth of practical tips to help you understand the kind of work that would suit you best - and how to find it * Everyone's obsessed with finding their dream job - how realistic should your expectations be? * Are you currently feeling over-worked in an organisation where there's little scope for progression and everyone's experiencing job fragility? * Developing career agility -reinvent yourself as the market demands When I read John's writing, two things happen. First, I feel as if he's standing right there, personally advising me. And second, I always come away thinking over the issue in a new way. It's a rare, but very useful, gift. Sarah Green, Associate Editor, Harvard Business Review This book is an excellent guide to enable students and professionals to understand themselves and apply this knowledge to create fulfilling and impactful careers in today's global employment market. The exercises within are a great combination of pragmatic and reflective and we have utilised these to support our MBA students, from a diverse range of international and professional backgrounds, to define...
