Brand New Book ***** Print on Demand *****.The Road Taken, the second installment in The Journey series. A new journey rushed into Grace s life. Grace s family dynamics changed when she and her brother Lee uncover the secrets their parents Charles and Elaine kept hidden about Grace s birth mother Elizabeth, a woman they believed to be dead. But has now been found and released from a mental hospital in Ireland. She takes Elizabeth home to California with her brother Lee and his trusted old friend Frank. Grace experiences the highs and lows of establishing a fragile relationship with Elizabeth and is reminded how vital a bond is between a mother and daughter. Challenging the future to be more than she ever dreamed. Grace emerges a self-actualized woman and not a girl to be pushed aside and taken advantage of. As Grace continues to move towards a life full of promise, while focusing on her family, and embarked on a career. Grace is introduced into the unknown dangers and unscrupulous dealings seldom seen in the art community by a dishonest Gallery owner. Refusing to give up her dream, Grace takes matters into her own hands. Pushing toward a career in the art world, while reconnecting with her old friends and making new ones, Grace meets a man who ignites a flame of attraction and uncertainty. Will she find a man to share her life with, or will she focus her energy on her career? Or will it be possible for both?.
