Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ancheng originally studied agricultural biological engineering in college in order to become an engineer in this field. After 4 years of engineering school and a period of time working in a specialized national research institute, he realized that his interests and talents were completely unrelated to this field. Thus, he decided to become an author rather than an engineer, so he went on to study at Tsinghua University and received his Bachelor of Arts degree in Journalism focusing on Internet media and creative writing. In 1995, when he was in high school, Ancheng wrote his first poem and has since been dedicated to poetry writing. In 1999 the poem Soreness, the Counterfeit of Enjoyment, won him an award of Excellence in Poetry Writing in a nationwide poetry contest, and also marked a real starting point of his poetic career. He has worked as an engineer, teacher, editor, translator, project manager and communications officer. For more information about the author, please visit.
