Brand New Book ***** Print on Demand *****.Excerpt from A Shorter Course of Oral Instruction in Grammar: Arranged in a Manner to Be Easily Understood and Applied The title page gives a very complete idea of this publication, and it seems only necessary to add a few suggestions by way of a preface to explain more fully, what called forth this book and to mention some of its more prominent features. From a somewhat extended experience as a teacher, the author felt that the text-books in grammar were filled with much that was unnecessary to a commercial education, and more especially is this shown to be true when it is considered that a majority of the students do not attend such a collie but six months, many of whom have never before made grammar a study. Hence it was deemed highly essential that only important practical topics should be dwelt upon. The plan pursued is to define the various parts of speech, instruct in sentence building and then present errors in syntax for the students correction, requiring him to assign reasons therefor. Appropriate space is devoted to composition, extended rules for spelling, abbreviations, punctuation, and such other important elements of grammar as are deemed indispensable to a thorough business education. A large space is given to mispronunciation of words, and a still larger one to the misuse of words. These subjects are arranged alphabetically to make them of ready reference, and the student will find it a valuable book for use after he has completed his course. The author during the arrangement of these pages has frequently consulted the works of some of our prominent grammarians, and has adopted many suggestions which seemed to...
