Paperback. Book Condition: New. Paperback. 37 pages. The Bible encourages us to study and rightly divide the word of truth. If we follow this principle and make an effort to lay down a solid foundation our Christian experience will be strong and when storms and trials shake our lives our faith will never stagger because it is built on a rock of truth that endures. The Scripture tells us to move on from the elementary principles of Christ toward perfection - Hebrews 6. 1-3. Before one can move on successfully the elementary or foundational principles must be laid down before the building of faith can be completed. This study will cover some elementary principles Paul mentions in the above verse. This foundational course will benefit mature Christians and help set in order their personal knowledge of the Word of God. These subjects help cement Christian learning and will be of valuable assistance for future Bible studies. This item ships from multiple locations.
