HarperCollins Publishers Inc, United States, 2010. Paperback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book. Seamlessly weaving together the social history of autism and autism research - as the Greenfelds lived through it in seeking treatment for Noah - with the deeply affecting story of two very different boys growing up side by side, this book raises crucial philosophical questions: Can relationships exist without language? How should aging parents care for a nonverbal, violent child, and then a grown man who is not self-sufficient? Is there anything that can be done to help an extremely autistic child or adult become a member of mainstream society? Haunting, tragic, and unforgettable, this chronicle of autism is a beautiful, wholly original exploration of what it means...
