Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

THE LANGUAGE OF CREATION.: YOUR ORIGINAL DESIGN. (PAPERBACK)

iUniverse, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a Language of Creation, within which we all exist, whether a sun, a tiger, or a human being. this language carries our Original Design. The flower opening toward the sun. is that language. The spiritual feeling of being one with God. is that language. The smile on a mother s face when her infant is placed in her arms. is that language. The tears in our eyes when we feel heard or feel seen. are that language. Over the course of time, we have forgotten. But now, once again, something is stirring. And we are Awakening. We are in the midst of a phenomenal global shift. We are awakening to the discovery that much of what we have believed until now, in fact, isn t true. Awakening is no longer secreted away in unconventional thinking. Awakening is what is happening. We just had no idea it would look or feel like it does. We have mistaken awakening for overwhelm, physical exhaustion, mental confusion, emotional anxiety. What we are experiencing, the old systems of understanding cannot sort out. Our minds and bodies are awakening into the Language of Creation. Our entire system is actively restoring this Original Design. We are beginning to remember, once again, that we are an integral part of life. New perceptions and applications are now demanded. After eons of time, we are in a powerful creative process as our Original Design reformats our minds, re configures our bodies, and reboots our physical and non-physical systems. This book is a road-map to navigate your path to your Original Design. Through the use of template-writing exercises you reconfigure your neural pathways to be life-enhancing rather...
