Alberta (Paperback)

By Sarah Yates

Fitzhenry Whiteside Ltd, Canada, 2003. Paperback. Book Condition: New. 2nd. 307 x 279 mm. Language: English . Brand New Book. Suitable for Grade 4-8, these informative texts cover each province s geography, economy, history (beginning before European expropriation), and people. The numerous, full-color photographs have clear captions. There are, however, a number of items that detract from each volume: the pronunciation guide, glossary, time line, fun facts, and economic maps are humorous, vague, or incomplete, rather than informative. Students researching Nova Scotia or Alberta will find plenty of facts in these titles, but by far the best resources on Canada and its people are Canada and the Canada Yearbook , published annually by Statistics Canada. They include well-designed charts and maps, are easy to read, and are useful for researchers and browsers alike.

Reviews

Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.

-- **Marvin Okuneva**

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Zachery Mertz**
