Llumina Press, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Welcome to Wisdom s Way, a collection of over 50 original tales, parables, fables and other stories. This book of tales presents multiple viewpoints, attitudes and perspectives foundational for understanding ourselves, other people, and our societies, which should lead to meaningful self-evaluation, self-improvement and ultimately better, wiser decision making. As you read, you may want only to sit down, relax and enjoy a simple story; or you may desire to ponder and consider each of these tales individually. This book is for you, however you wish to read it; you the reader; you the interpreter; you the decision maker. There are no given answers or interpretations. Feel free to think for yourself, make your own judgments, come to your own conclusions and take with you whatever treasures and truths you may happen to find. Steven A. Barben lives with his wife, Kerly, in Orem, Utah. His writings, in tale and short story form, encourage readers to reconsider their own perspectives, evaluate and respect the viewpoints of others, and apply multiple perspectives to different aspects of life and society. Steven holds a Master s degree in Agronomy and a Bachelor s degree in Environmental Soil Science from Brigham Young University. He has also written four professional papers (three in press and one in review) for publication in the Journal of Plant Nutrition.
