VOCABULARY MASTERY 2: USING AND LEARNING THE ACADEMIC WORD LIST

University of Michigan Press/ELT, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Vocabulary Mastery 2 introduces intermediate-level ESL/EFL students to the most frequently used words in American academic environments, based on the Academic Word List developed by Coxhead (2000). (Vocabulary Mastery 2 is a significantly revised new edition of Mastery.) Books in the Vocabulary Mastery series provide students with the vocabulary they will encounter most frequently in their academic endeavors and help to enrich their understanding of a culture. Theme-based units familiarize students with some high interest aspects of American culture, history, and famous people and events: business, the civil rights movement, baseball, the women's movement, serving one's country, and women in art. Each volume exposes students to more than 200 different words of the 570-word list, with 90 words specially targeted in each book. Each unit contains three linked readings to promote narrow/intensive reading and activities that check comprehension, teach and reinforce word forms, and practice other strategies for learning the target vocabulary. Writing and critical-thinking exercises are also included. Vocabulary Mastery 1 is available. Vocabulary Mastery 3 will be published in 2009.
