ONLINE GUIDED GROSS ANATOMY DISSECTOR

Sinauer Associates Inc., U.S., United States, 2011. Other digital. Book Condition: New. 221 x 145 mm. Language: English . Brand New Book. Free Previews: Introduction to the Dissector | Module 2: Thorax Section 4. Dissection of the Coronary Arteries and Heart Chambers | Within this preview there are identification and instruction slides as well as a dissection video: Removal of the Heart from the Mediastinum | Here are the interactive flashcards that accompany this section. Save Time Without Compromising Learning Quality: The study of gross anatomy presents unique challenges: students confront a daunting volume of new and complex information within time constraints for proving their mastery, and faculty are charged with delivering high-quality courses in decreased curricular hours. Where can they turn for help? The Online Guided Gross Anatomy Dissector is an innovative learning tool that addresses the needs of both students and faculty, with proven success. The Suarez Dissector makes possible the teaching of all anatomy, head-to-toe, in a rigorous yet approachable manner. Several features make it a favorite among students and faculty alike: - Over 2,000 original photographs of cadavers (superficial to deep) present a visual in-lab dissection guide, eliminating the need for reading lengthy how to dissect descriptions and maximizing dissecting efficiency. - 41 dissection videos enable students to envision the dissection ahead of time, making them better prepared for the laboratory. - 327 interactive, multi-labeled flash cards are included-at no additional charge-for the students to test and reinforce their knowledge of the material. - Its streamlined, modular nature allows faculty to assign the Suarez Dissector as the exclusive laboratory tutorial, or to pick and choose individual sections for self-directed learning of gross anatomy. - Its portability makes it ideal for reviewing anatomy from home, from the library, from the cafe-anywhere accessible to the Internet. The anatomy is...
