Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from **Precedents of General Requisitions on Title: With Explanatory Notes and Observations for the Use of Articled Clerks, Law Students and Others** This manual has been written principally with the object of providing some practical assistance to Articled Clerks, Law Students, and others whose acquaintance with this branch of the law is necessarily somewhat limited from a want of actual experience in its practice. The writer's object will have been further attained if the forms of precedents supply the want (which he has himself felt) of having ready to hand forms of general requisitions on title, which can be easily adapted to the varying circumstances arising in the investigation of title.
