Charisma House, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. It is possible to manage and even reverse diabetes through natural means, and in *Reversing Diabetes*, Dr. Colbert shows you how. Most people view diabetes as a dead-end street. Once you receive a diabetes diagnosis, your only option is to manage the symptoms with a restricted diet, close monitoring of blood sugar, and expensive medications. Dr. Colbert shows that diabetes can be treated instead through safe, natural means, like healthy food and vitamins rather than strictly relying on prescription drugs. He shows you how to manage your weight and your glucose intake with a whole-body approach, using nutritional supplements along with dietary and lifestyle changes to lose weight, repair cell damage, improve insulin function, and reduce the side effects from prescription drugs, many of which rob nutrients from the body and cause additional symptoms. Based on the same life-changing principles of the low-glycemic, high-fiber eating plan provided in Dr. Colbert's New York Times best-selling book, *Dr. Colbert's I Can Do This Diet*, this book adapts that plan in a way that makes it ideal for diabetics who need to manage their glucose levels and their weight. Siloam, an imprint of Charisma House Book Group, is the leader in the Christian health and fitness genre, with several best-sellers, including Don Colbert's *The Bible Cure* series. -- Christian Retailing Physician Don Colbert Preaches The Gospel Of Good Nutrition, Advising His Patients To Follow In The Footsteps Of One Of History's Better-known Role Models. -- Orlando Sentinel.
