SYMPOSIUM: OR THE BANQUET

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 110 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. For myself, I hold to the opinion that not alone are the serious transactions of good and noble men most memorable, but that words and deeds distinctive of their lighter moods may claim some record. In proof of which contention, I will here describe a set of incidents within the scope of my experience. The occasion was a horse-race at the great Panathenaic festival. Callias, the son of Hipponicus, being a friend and lover of the boy Autolycus, had brought the lad, himself the winner of the pankration, to see the spectacle. As soon as the horse race was over, Callias proceeded to escort Autolycus and his father, Lycon, to his house in the Piraeus, being attended also by Niceratus. But catching sight of Socrates along with certain others (Critobulus, Hermogenes, Antisthenes, and Charmides), he bade an attendant conduct the party with Autolycus, whilst he himself approached the group, exclaiming: A happy chance brings me across your path, just when I am about to entertain Autolycus and his father at a feast. The splendour of the entertainment shall be much enhanced, I need not tell you, if my hall should happily be graced by worthies like yourselves, who have attained to purity of soul, rather than by generals and cavalry commanders and a crowd of place hunters. This item ships from La Vergne, TN. Paperback.
