There had been a long rain storm, ending in sleet and snow, and now the sun was shining brightly on a landscape sheeted with ice: walks and roads were slippery with it, every tree and shrub was encased in it, and glittering and sparkling as if loaded with diamonds, as its branches swayed and tossed in the wind. At lon Mrs. Elsie Travilla stood at the window of her dressing-room gazing with delighted eyes upon the lovely scene. How beautiful! she said softly to herself; and my Father made it all. He gives snow like wool: he scattereth the hoar frost like ashes. He casteth forth his ice like morsels. Ah, good morning, my dears, as the door opened and Rosie and Walter came in together. Good morning, dearest mamma, they returned, hastening to her to give and receive the affectionate kiss with which they were accustomed to meet at the beginning of a new day. I m so glad the long storm is over at last, said Rosie; it is really delightful to see the sunshine once more. And the beautiful work of the Frost king reflecting his rays, added her mother, calling their attention to the new beauties of the ever attractive landscape spread out before them.
