By Mark Jones

Christian Focus Publications Ltd, United Kingdom, 2012.
Paperback. Book Condition: New. 175 x 109 mm. Language: English . Brand New Book. For many of us, the whole concept of Christology is as mystifying as a foreign language, yet Christians down the ages have fought to defend the person and work of Christ - seeing him and what he did quite rightly as a vital element of how we are saved. If we are to understand this subject we need to know the person of Christ; not just what he did (his work) but who he is (his person). Through this book we get to know the Son of God who indeed is God and not just a superman! He is the one who came from above and became fully human having a human body and soul. Being God enabled him to pay the debt owed for sin and being man enabled him to stand on man's behalf for their sin. In straightforward and simple layman terms this book will explain the interconnectivity of the work and person of Jesus Christ and dispel any misconceptions you may have.
