THE POWER OF I WILL (PAPERBACK)

The Pilgrim Press, United States, 2011. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There once was a time in the history of mankind when knowledge was passed on by pictures or by oral tradition. There have been periods when the common man was kept away from truth and enlightenment by cultural elite, ruthless dictators, elevated clergy and even mystics. People of the past were often kept in ignorance or were assumed to not be able to understand the very things that might set them free. We now live in an age where people have almost instant access to virtual libraries and treasuries of the accumulated wisdom and history of man. Often times in their maddening rush to learn, uncover or sort through the avalanche of information, they demand the condensed version. This is not a good time in history to be an encyclopedia salesman. Our parents never dreamed of a day when handwritten letters would give way to emails, which are already being replaced by text messages, tweets and twitters! With this in mind the author has created a less is more masterpiece. Today s seeker is not an idiot. If she or he finds a topic of intrigue or connection, they will use whatever means at hand to search it out and build upon it. However, there is one facet in life everyone must and will face. It will change your life!.
