Department of Labor: Challenges in Ensuring Workforce Development and Worker Protection prevailing wage rates that are, in fact, higher than those prevailing in the 14 area - thus artificially inflating federal construction costs. Labor has acknowledged weaknesses in its wage determination process that call into question the integrity and accuracy of some of its wage determinations. For this reason, it requested funds to develop, evaluate, and implement alternative reliable methodologies or procedures that would yield accurate and timely wage determinations at a reasonable cost. Labors fiscal year 1997 budget request included 3. 7 million for that purpose. The conference report accompanying the Departments appropriation requested that we review these implementation activities to determine whether they will achieve their goals. We will do so and report our findings to the Appropriation Committees, as requested, when Labor has completed its work. Labor took some actions that we recommended in our May 1996 report...
